

If Not Me, Then Who?

Building Healthy Communities and Local Food Systems One Conversation at a Time

Join us for a keynote address from urban farmer Will Allen of *Growing Power* (and featured in the documentary film *FRESH*), workshops on permaculture, edible backyards, contemplative hiking, place-based exercises celebrating the bounty and beauty of the Pacific Northwest, networking, and inspiring workshops on food, health,

building community, discussion group organizing, Jefferson County's annual Farm Tour and more.

"This much is clear to me. If I can't change my own life in response to the greatest challenge now facing our human family, who can? And if I won't make the effort to try, why should anyone else? So I've decided to start at home, and begin with myself. The question is no longer whether I must respond. The question is whether I can turn my response into an adventure..."

— Kurt Hoelting, author of *Circumference of Home* and workshop presenter at NWEI's 2011 Gathering
